HELPFUL TIPS

- **Keep it simple.** Share about topics your child will understand, such as pets, hobbies, music, sports activities, favorite scripture verses and your relationship with the Lord. Use this as an opportunity to encourage your child in his or her relationship with the Lord.
- **Highlight the things you have in common.** As you develop a friendship with your child, you may discover you have a shared interest, such as a passion for sports or an interest in music. Please refrain from discussing material possessions or other things that will call attention to your differences.
- **Include a photo of yourself and your family.** Your child will treasure your picture. Due to culture differences in dress standards, please make sure everyone in the photo is dressed modestly. For example, pool or beach attire would not be appropriate photographs for your child.
- **The content of your letter should be consistent with the values of Project Mañana.** Any materials that do not represent a biblically-based lifestyle or are deemed inappropriate for your child's age or culture will not be forwarded.
