### Summary

Project Mañana International completed its first full year of service on September 30, 2011. In looking at 2011, as a calendar year, we couldn't be more pleased and encouraged by the success we've had. Recognizing that everything has been made possible through God's grace and the generosity of Project Mañana's sponsors, you will see by the highlights below that Project Mañana has already made an impact in the Dominican community of La Yagueta de Pastor. We would like to THANK all of Project Mañana's sponsors, who are "Working Together Today for a Better Tomorrow!™"
